表面形

Technical drawing of a 100mm diameter, 100mm high stainless steel pressure vessel. The drawing includes a front view, a side view, and a cross-sectional view. The front view shows a cylindrical body with a top flange and a bottom flange. The side view shows the cylindrical body with a vertical centerline. The cross-sectional view shows the internal structure, including the top flange, the cylindrical body, and the bottom flange. Dimensions are given in millimeters. The top flange has an outer diameter of 100mm and a thickness of 10mm. The cylindrical body has an outer diameter of 100mm and a height of 100mm. The bottom flange has an outer diameter of 100mm and a thickness of 10mm. The drawing also shows the internal structure, including the top flange, the cylindrical body, and the bottom flange. The drawing is labeled '穴明寸法' (Hole Clearing Dimensions) and '100φ 100H'.
