

表面形

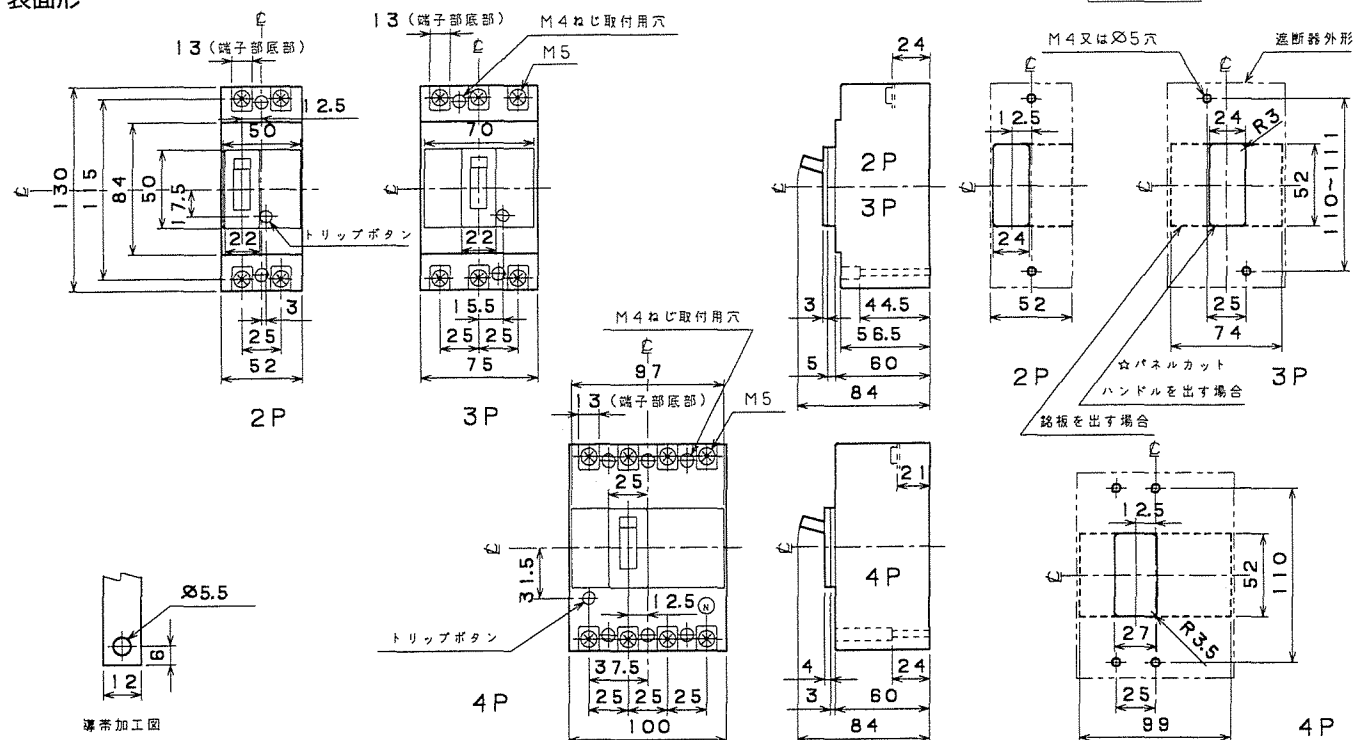

Figure 1: Dimensions of the main unit. The figure includes a side view and three front views for 2P, 3P, and 4P models. The side view shows a height of 115mm, a base width of 94mm, and a mounting hole spacing of 56.5mm (2P, 3P). The front views show the terminal spacing (2P, 3P, 4P) and the mounting hole pattern. The 2P model has a width of 25mm. The 3P model has a width of 75mm (25mm x 3). The 4P model has a width of 125mm (25mm x 5). The mounting holes are spaced 110mm (vertical) and 139mm (horizontal, including punch). The 4P model also shows a 17mm diameter hole for M4 or M5 screws.
